

STUNT-TASTIC BOOK CRAFT

COOKIE & MILK

A SCIENTIFICALLY STUNT-TASTIC SISTERHOOD

AUTHOR: Michele Mcavoy

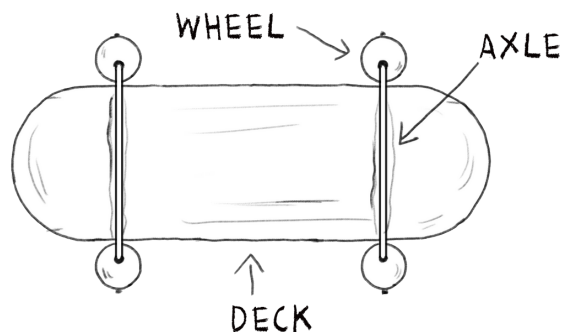

ILLUSTRATOR: Jessica Gibson

WHAT YOU NEED:

beads
wooden skewers

glue
wide popsicle sticks

paint
scissors

Watch the video and have an adult cut the pieces!

INSTRUCTIONS:

- STEP ONE:** To make the deck of skateboard: Cut popsicle sticks to preferred length. Round the edge.
- STEP TWO:** To make the axles of skateboard: Cut skewers to the width of board and the width of two beads.
- STEP THREE:** To make the Wheels: Place beads onto each end of the both axles.
- STEP FOUR:** Glue axles onto the skateboard deck. Let the glue dry completely.
- STEP FIVE:** Paint and decorate the skateboard anyway you want!
